#### **TONY DANCKERT AWARD:**

MOST OUTSTANDING PLAYER

Tony Danckert, a native of Clarksville, was continually involved in sports. Tony was a confident, hardworking, and dedicated athlete throughout his years as a football player, wrestler, basketball player and baseball pitcher at Bethlehem Central School District. At Bethlehem, Tony was a two-way starter at tight end and middle linebacker during his junior and senior years and was named to the All-Metroland Team for both years.

As a senior co-captain, he was named to the All-Capital Land Team, Coaches All-Suburban Council Team and the Prep All-American Football Yearbook. Tony was also the top Eagle award winner his senior year, indicative of his determination and outstanding play.

As a four-year scholarship player at Boston University, Tony had the distinction of being only the second Junior Varsity to become a starter on defense for BU. As a sophomore, Tony was the leading tackler. These accomplishments were recognized as he was named to the All-New England Second Team Defense as a middle linebacker after the 1976 season. Tony's spectacular achievements and the respect he had was an indication of his great ability, determination, confidence, desire and his great compatibility with others on and off the field. Each year an award is given to the graduating senior most exhibiting the characteristics and values of Tony Danckert.

# YOUTH NIGHT

#### THIS YEAR'S YOUTH NIGHT EVENT WAS A HUGE SUCCESS!

Originating in 2018, Youth Night is a yearly tradition started by former Varsity Head Coach John Carlino. It introduces youth players to seasoned varsity players in an energetic, community-driven event that blends the excitement of young athletes learning the game with the intensity and skill of high school varsity players. The youth players get to experience playing on the stadium field and learn what it takes to be a varsity player.

This year's event was lead by Head Coach Rick Leach (shown above) and introduced members of the Bethlehem Youth Boys Tackle, Boys Flag and Girls Flag teams to the program.

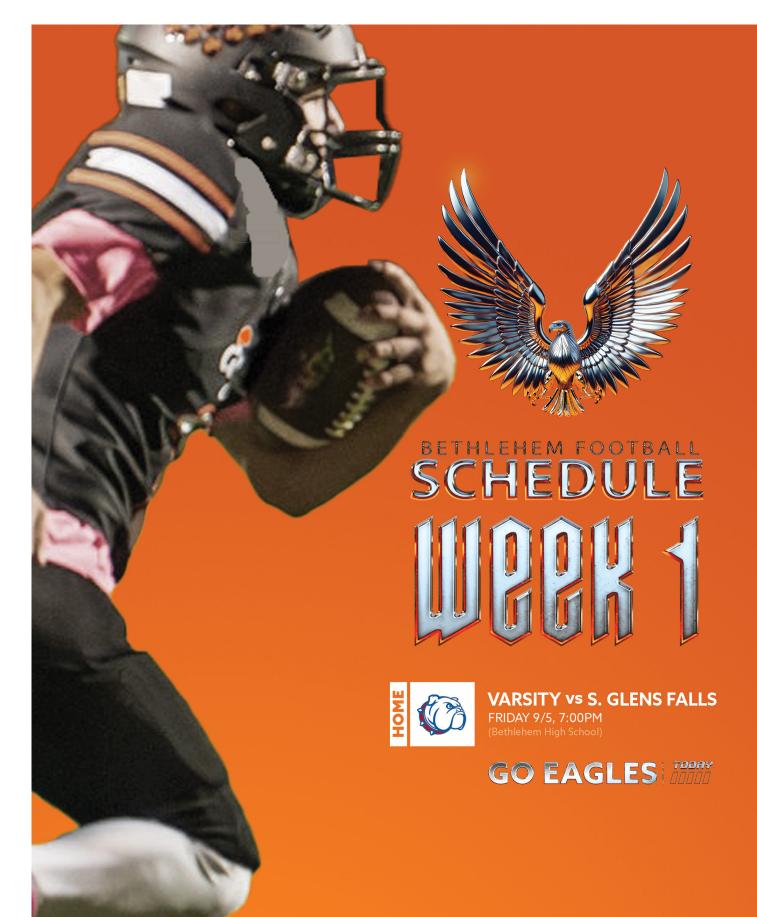

Building a winning team for the future!
